3. IMPORTANT PROVISIONS

- 3.1. This policy is provided to you without advice and at your own request.
- 3.2. The payment of premiums indicates your acceptance of the terms, conditions and notices of this policy. By entering into this contract of insurance you authorise the Insurer (or its nominee) to debit your account on an agreed debit order date or salary date of each month. Where collection is unsuccessful, you further authorise the Insurer (or its nominee) to track the nominated bank account and/or re-present the instruction for payment at any time when sufficient funds are available. Should your debit or salary date fall on a Saturday, Sunday or recognised South African public holiday, you authorise the Insurer (or its nominee) to debit your account at its discretion on the following or previous ordinary business day. Should your salary date temporarily change (for example during the month of December), you authorise the Insurer (or its nominee) to debit your account at its discretion on any day considered appropriate during such month. Please see policy schedule for debit order mandate details.
- 3.3. You may elect to cancel this policy with immediate effect. In all other instances, your request for cancellation will take effect on the day immediately preceding your next debit order date. The Insurer may cancel this policy, on 31 days' written notice sent to the last known postal address of the Insured.

- 3.4. Should the Insurer discover that there has been a material change in the underwriting risk that you or your vehicle expose the Insurer to, the Insurer may elect to cancel the policy with immediate effect upon written notice to you and without compensation or refund of any premiums or costs incurred by you.
- 3.5. If your full monthly premium is not received within 15 days following your premium due date, your policy will lapse and all policy benefits and cover will cease. During the aforementioned 15 day period, it is your responsibility to make payment to us by way of electronic funds transfer or cash deposit into our bank account. We reserve the right to re-debit your account where we feel it appropriate or upon request from you. Benefits and cover may be re-instated at the option of the Insurer upon the subsequent receipt of future premiums.
- 3.6. If your monthly premium is returned unpaid with an exception code from our bank indicating that the debit order was reversed by you upon an instruction to your bank that we had no authority to debit your account, we may interpret this action as an indication that you no longer want the policy and wish to cancel it with immediate effect. Where this is the case, the 15 day catch up period referred to above will not apply. Should you wish to reinstate the policy in these circumstances, you may do so at any time but any applicable waiting periods, deferred benefit periods or accumulated benefits will restart from month 1 upon reinstatement.
- 3.7. You must properly service your vehicle according to the manufacturer’s specifications, and ensure that your vehicle is always in a roadworthy condition. Be sure to keep accurate records and service slips as these may be requested from you.
- 3.8. You must timeously repair any damage to the vehicle not covered by this policy. It may not be left unrepaired to form the subject of a later claim.

Proof of theft, hijacking, collision or breakdown and expenditure satisfactory to the Insurer must be provided in a timeous manner. Any fuel deposit, security deposit or insurance waiver fee or additional charges incurred for fuel consumption or running costs will be for your own account.

No claim for reimbursement will be admitted where the theft, hijacking, collision or breakdown of the insured's vehicle took place before the commencement of cover under this optional benefit. No claim for reimbursement will be admitted where this policy has lapsed or has been cancelled or where a claim for benefits in terms of your PRIME MOTORTHRIFT policy has been rejected.

2. OPTIONAL TYRE MAINTENANCE REWARD BENEFIT

Where this benefit has been selected, the Insurer agrees to discount a following monthly premium, on the underlying policy, by 50% (fifty percent) where the Insured provides proof satisfactory to the Insurer of having purchased and replaced two or more of the Insured Vehicle's tyres with either new tyres or retreads of the correct size and type for the vehicle concerned. The discount will apply to one month's premium and premium rates will return to the usual amount thereafter. Cover will commence when your policy is in force.

3. OPTIONAL RETRENCHMENT INDEMNITY BENEFIT

TO QUALIFY

In order to qualify for the benefits in terms hereof, the Insured must have paid at least three

consecutive monthly premiums when due and must have been formally employed for a period of at least six months prior to the loss of employment. The Insured's employer must have undertaken a formal and fully documented redundancy or retrenchment programme and the Insured should not have known of the threat of redundancy or retrenchment prior to taking out this policy.

BENEFITS

In the event of the Insured losing employment through retrenchment or redundancy prior to the attainment of age 60, the benefits due in terms hereof shall be the settlement of any outstanding premiums due during the period of unemployment, for a maximum period of six months, on all then active policies of insurance purchased through PMD, limited to a maximum of R1,500 per month.

EXCLUSIONS

No benefits will be payable in terms hereof for loss of employment for any reason whatsoever other than redundancy or retrenchment.

No benefits will be due in terms hereof where the Insured agrees to voluntary retrenchment. Any policies that have lapsed or been cancelled prior to the loss of employment will not qualify for any benefits in terms hereof.

NOTIFICATION

The Insured must inform the Insurer of a loss of employment at the earliest possible time in order that the Insurer can arrange for the payment of due premiums prior to the lapsing of cover. The Insured must provide proof satisfactory to the Insurer of prior employment including inter alia copies of payslips and bank statements for the 6 month period prior to loss of employment.

4. OPTIONAL WINDSCREEN REPLACEMENT BENEFIT

APPROACH TO SERVICE DELIVERY

The Financial Services Board has outlined six key themes, which are central to the TCF initiative. PMD will strive to comply with and contribute to these 6 TCF fairness outcomes viewed from the perspective of its customers as follows:

- Customers are confident that they are dealing with a provider where the fair treatment of customers is central to its culture.
- Products and services marketed and sold in the retail market are designed to meet the needs of identified customer groups and are targeted accordingly.
- Customers are given clear information and are kept appropriately informed before, during and after the time of contracting.
- Where customers receive advice, the advice is suitable and takes account of their circumstances.
- Customers are provided with products that perform as providers have led them to expect, and the associated service is both of an acceptable standard and what they have been led to expect.
- Customers do not face unreasonable post-sale barriers to change products, submit a claim or make a complaint.

STANDARDS OF SERVICE DELIVERY

PMD will aim to demonstrate through its behaviours and monitoring that it is consistently treating customers fairly throughout the stages of the product life cycle to which it can contribute.

In order to achieve these service standards PMD and its employee members undertake to:

- Adhere to PMD's corporate culture of ensuring that customers fully understand the features, benefits, exclusions, risks and costs associated with the financial products they purchase;
- Ensure that customers are provided with clear, concise information and kept appropriately informed before, during and after the purchase of their products allowing them to make informed decisions;
- Ensure that regular, clear and appropriate correspondence is maintained with customers at all times and that the relevant communication protocols are strictly followed;
- Adhere to PMD's phone etiquette standards and to provide excellent service to the customer where the fair treatment of the customer is central to that service;
- Follow the principle that customer service at all stages must meet customer expectations and that any promises or commitments made must be met;
- NOT give any financial advice to customers but to direct them to the organisation's Key Individuals or Representatives where such advice is required or sought;
- Ensure that any request from a customer is attended to without any unnecessary barriers or delays;
- Fairly manage the customer's expectation at all times;
- Leave the customer feeling pleased about their experience with PMD and confident that they are dealing with an honest, professional and ethical organisation where the fair treatment of clients is central to the company's culture;
- Ensure all third parties contracted with are committed to treating our customers fairly.

COMPLAINTS HANDLING SERVICE STANDARDS

- We respond in a timely manner to our customers and prospective customers questions and queries, addressing any issues or concerns promptly.
- All customer complaints are dealt with and escalated appropriately in order to meet our obligations to our clients.
- Complaints are therefore handled fairly, promptly and impartially.
- All valid claims are paid promptly.
- The principles of "fairness and equity" are applied in all decisions, always giving the customer the benefit of the doubt where information is not perfectly clear.
- In dealing with complaints PMD will 'treat like situations alike' and give careful consideration to whether an error might have affected a wider class of customers and what should be done to remedy this.
- PMD will investigate the root causes of complaints and obtain feedback from customers who have experienced our complaints process in order to improve the level of service that is provided.
