2. IMPORTANT EXCEPTIONS

We will not pay:

- 2.1. If the policy was not in force at the time of your death or diagnosis of terminal illness.
- 2.2. Where the cause of death or terminal illness is directly or indirectly caused by, arises from, contributes to, is aggravated by, connected with or results from any pre-existing illness not fully disclosed to the Insurer prior to the Policy Commencement Date.

- 2.3. Where, during the first 36 months following inception or most recent reinstatement of the policy, it is established that the cause of death was directly or indirectly related to the HIV/AIDS condition of the deceased and the deceased's CD4 or T-cell Count was below 300 at the time of or near to death, it will be assumed that the HIV/AIDS illness was pre-existing and that the deceased had contracted the illness prior to inception of the policy irrespective of when or whether the deceased had been diagnosed or not.
- 2.4. Should you or anyone acting for you knowingly or otherwise commit a fraudulent act or attempt to obtain a benefit under this policy by improper or dishonest means, all premiums paid and benefits of this policy will be forfeit and the policy cancelled with immediate effect without refund or compensation.
- 2.5. In this context "wilful exposure to needless peril" means a conscious decision to expose oneself to a potential risk of injury or death that the reasonable person would choose to avoid. Examples might include, but is not limited to, a decision to sit on the bonnet of a moving vehicle or a wilful decision to engage in a physical fight or altercation that could otherwise have been avoided or defaulting on prescribed medication or the use of narcotic substances.
- 2.7. For death arising directly or indirectly whilst on duty as a security guard, armed response unit, police officer, army unit or whilst on duty in any similar vocation where one is potentially exposed to the risk of violent death.

3. IMPORTANT PROVISIONS

Please note that this policy is subject to the following important provisions:

- 3.1. This policy is provided to you at your own request without advice.
- 3.2. In the event of a claim, the nominated beneficiary (other than in the case of a spouse, parent or child) may be required (to the satisfaction of the insurer) to demonstrate financial dependence on or material financial prejudice suffered as a result of the death of the life insured. Notwithstanding this, where the nominated beneficiary is someone other than a spouse, parent or child, the benefit paid in terms hereof will not exceed a maximum amount of R30,000.
- 3.3. The payment of premiums indicates your acceptance of the terms, conditions and notices of this policy. By entering into this contract of insurance you authorise the Insurer (or its nominee) to debit your account on an agreed debit order date or salary date of each month. Where collection is unsuccessful, you further authorise the Insurer (or its nominee) to track the nominated bank

account and/or re-present the instruction for payment at any time when sufficient funds are available. Should your debit or salary date fall on a Saturday, Sunday or recognised South African public holiday, you authorise the Insurer (or its nominee) to debit your account at its discretion on the following or previous ordinary business day. Should your salary date temporarily change (for example during the month of December), you authorise the Insurer (or its nominee) to debit your account at its discretion on any day considered appropriate during such month. Please see policy schedule for debit order mandate details.

- 3.4. You may elect to cancel this policy with immediate effect. In all other instances, your request for cancellation will take effect on the day immediately preceding your next debit order date. The Insurer may cancel this policy on 30 days' written notice sent to the last known postal address of either party. In the case of Family Cover this policy will terminate only on the death of the last insured Person, provided premiums continue to be paid when due.
- 3.5. Should the Insurer discover that there has been a material change in the underwriting risk that you or your vehicle expose the Insurer to and you have failed to notify the Insurer of any such change, the Insurer may elect to cancel the policy with 30 days' notice to you and without compensation or refund of any premiums or costs incurred by you.
- 3.6. If your monthly premium is not received or only partially received within 15 days following your premium due date, your policy will lapse and all policy benefits and cover will cease. During the aforementioned 15 day period, it is your responsibility to make payment to us by way of Electronic Funds Transfer or cash deposit into our bank account. We reserve the right to re-debit your account where we feel it appropriate or upon request from you. A lapsed policy may be reinstated at the option of the Insurer upon the receipt of all future premiums when due, but the extent of the benefits and cover will be subject to the re-commencement of the waiting period referred to below.
- 3.7. If your monthly premium is returned unpaid with an exception code from our bank indicating that the debit order was reversed by you upon an instruction to your bank that we had no authority to debit your account, we may interpret this action as an indication that you no longer want the policy and wish to cancel it with immediate effect. Where this is the case, the 15 day catch up period referred to above will not apply. Should you wish to reinstate the policy in these circumstances, you may do so at any time but any applicable waiting periods, deferred benefit periods or accumulated benefits will restart from month 1 upon reinstatement.
- 3.8. Where a lapsed policy is reinstated within 3 months of its date of lapse and after more than six consecutive premiums have been paid since its commencement or previous reinstatement, the waiting period will not reset but will continue to elapse from the date of reinstatement.
- 3.9. Where a lapsed policy is reinstated more than 3 months after its date of lapse the waiting period will restart from month one i.e. 1 consecutive premium payment.
- 3.10. Where a lapsed policy is reinstated, you will be required to complete an updated medical questionnaire telephonically. At this time, should any new medical conditions, illnesses or other

ailments (not present or disclosed at the time of purchase) be identified, they will be recorded as new pre-existing conditions and will be subject to their own waiting period commencing on that date.

- 3.11. You must inform the Insurer of all facts about your health that are material to the assessment of the risks assumed under this policy. Failure to do so may result in the forfeiture of all benefits and premiums to date.
- 3.12. The Policyholder may nominate or change beneficiaries at any time by notice in writing to the Insurer before a claim arises. This is the only method of beneficiary nomination and no testamentary instrument will have the effect of changing such nomination.
- 3.13. This policy does not acquire any loan, surrender or encashment values.
- 3.14. Where, during the first 36 months following commencement or reinstatement of this policy (the "waiting period"), a pre-existing illness (that has been fully disclosed to the Insurer) is directly or indirectly established to be the cause of death, the sum insured will be equal to a return of all premiums paid for this policy since commencement or most recent reinstatement, whichever is the later.
- 3.15. The benefits and cover provided in terms of this contract of insurance will continue until the life insured has attained the age of 75 years, at which point cover will cease and the policy will automatically cancel. Where more than one life is insured, benefits and cover will cease only for those lives that have attained the age of 75 years and not those lives still under this age. In such cases, the policy will continue for each life under the age of 75 and will finally cancel when the youngest life insured has attained the age of 75 years.
- 3.16. Should you elect to increase the sum insured at any time following the inception of this policy, you are required to inform us of all changes to your health and any treatments, diagnoses or hospitalisations that have occurred subsequent to the commencement of the policy. Any increase in the sum insured will be subject to the waiting period. In other words, after the payment of one premium following the increase, you will be covered for the full sum insured in the event of accidental death. However, until such time as you have paid 36 consecutive premiums when due following the increase, the sum insured will be limited to its original amount and taking into account the waiting period as it applies to it.
- 3.17. In the event of a claim, the nominated beneficiary (other than in the case of a spouse) will be required to demonstrate financial dependence on the life insured to the satisfaction of the Insurer.

- 4.2. Valid claims are paid after the submission by you of all forms, reports and documentation requested by the Insurer and the completion of any necessary investigative and related work.
- 4.3. You have a period of 90 days after receiving any claim rejection notice to make representations in this regard to the Insurer and a further six months thereafter to institute any legal action. Thereafter you will not be entitled to make any claim under this policy.

FREQUENTLY ASKED QUESTIONS

6

GENERAL

• WHEN IS MY PRIME LIVINGLEGACY CONTRACT OF INSURANCE CONCLUDED, ENTERED INTO AND IN FORCE?

Your PRIME LIVINGLEGACY policy is concluded, entered into and in force on the First Premium Date as stated in the Policy Schedule, provided that the premium is received by the Insurer on or before that date. By paying the premium you indicate your acceptance of the policy terms and conditions of PRIME LIVINGLEGACY.

• WHAT INFORMATION MUST I GIVE TO THE INSURER?

You must inform the Insurer of all facts that are material to the assessment of the risk, the premium charged and the acceptance of this insurance. If you fail to do so the Insurer may in its sole discretion declare the policy void. Material facts include information pertaining to poor health, pre-existing conditions and previous hospital visits for illness, surgery or other medical procedures.

• HOW DOES PRIME LIVINGLEGACY WORK?

The PRIME LIVINGLEGACY policy pays you the selected sum insured upon death of an insured life through accident, illness or disease. Please note that fully disclosed pre-existing illnesses are covered after a 36 month waiting period.

• DOES MY PRIME LIVINGLEGACY POLICY HAVE A SURRENDER VALUE OR INVESTMENT COMPONENT?

The PRIME LIVINGLEGACY policy does not accumulate a surrender or maturity value. The purpose of the policy is not to act as a long term investment but to protect your loved ones and leave a legacy in the event of your untimely or premature death. Under normal circumstances, the death benefits of the policy are intended to be used for final expenses and the support of a surviving spouse or dependants. If you're looking for a policy that will operate as a long term investment with a readily obtainable surrender value, the PRIME LIVINGLEGACY policy may not be right for you. Consider speaking to a licensed financial services provider for further advice if this is the case.

• DOES THE PRIME LIVINGLEGACY POLICY CONTINUE TO COVER ME AFTER AGE 75?

Benefits and cover cease automatically upon attainment of the age of 75. If you require a product that provides cover beyond 75, you may want to consider the PRIME LIVING **COVERGROW** policy. Alternatively, speak to a licensed financial services provider for further advice.

• CAN I CANCEL MY PRIME LIVINGLEGACY POLICY?

Yes. You may elect to cancel your PRIME LIVINGLEGACY policy with immediate effect. Any premiums collected after cancellation will be refunded.

CLAIMS AND PROCEDURES

• DO I RECEIVE IMMEDIATE COVER WITH MY PRIME LIVINGLEGACY POLICY?

Yes, from your first premium payment your selected sum insured will apply for the following events:

- Death due to accident or illness
- Terminal illness

There is however a 36 month waiting period for events relating to disclosed pre-existing illnesses and conditions.

PREMIUMS & PAYMENTS

• **WILL MY PREMIUMS REMAIN THE SAME OVER THE LIFE OF THE POLICY?**

Yes! With PMD you get Fixed Premiums for the life of the policy. Your premiums are guaranteed to remain the same throughout the period of cover.

• **WHAT HAPPENS IF MY COVER LAPSES AND I THEN RECOMMENCE COVER AT A LATER DATE?**

If your electronic debit order is returned unpaid and your premium remains unpaid for 15 days following your premium due date, your cover will lapse and all policy benefits will cease. Where a lapsed policy is reinstated within 3 months of its date of lapse and after more than six consecutive premiums have been paid since its commencement or previous reinstatement, the waiting period for disclosed pre-existing conditions will not restart from zero months but will continue from the number of consecutive month achieved immediately prior to lapse. In all other cases, the waiting period will restart from 1 month.

NB: Where there is a difference in meaning or interpretation between this summary and the Policy Terms and Conditions, the latter shall apply.

TREATING CUSTOMERS FAIRLY POLICY

PMD has a strong focus on customer satisfaction and strives to be respected and recognised for the fair treatment of its customers. PMD is fully committed to delivering service of the highest standard as its customers are its most valuable asset. PMD's Treating the Customer Fairly (TCF) policy is structured according to the guidance provided by the Financial Services Board (FSB) to ensure it consistently delivers fair outcomes to its customers. In order to implement PMD's policies on TCF each of its affiliated Insurers, reinsurers, UMAs, administrators and employees are expected to understand and apply this policy and are bound thereto in terms of the standards of service delivery set out below.

APPROACH TO SERVICE DELIVERY

The Financial Services Board has outlined six key themes, which are central to the TCF initiative. PMD will strive to comply with and contribute to these 6 TCF fairness outcomes viewed from the perspective of its customers as follows:

- Customers are confident that they are dealing with a provider where the fair treatment of customers is central to its culture.
- Products and services marketed and sold in the retail market are designed to meet the needs of identified customer groups and are targeted accordingly.
- Customers are given clear information and are kept appropriately informed before, during and after the time of contracting.
- Where customers receive advice, the advice is suitable and takes account of their circumstances.
- Customers are provided with products that perform as providers have led them to expect, and the associated service is both of an acceptable standard and what they have been led to expect.
- Customers do not face unreasonable post-sale barriers to change products, submit a claim or make a complaint.

STANDARDS OF SERVICE DELIVERY

PMD strives to demonstrate through its behaviour and monitoring that it consistently treats customers fairly throughout the stages of the product life cycle to which it can contribute.

In order to achieve these service standards PMD and its employee members undertake to:

- Adhere to PMD's corporate culture of ensuring that customers fully understand the features, benefits, exclusions, risks and costs associated with the financial products they purchase;
- Ensure that customers are provided with clear, concise information and are kept appropriately

informed before, during and after the purchase of their products, allowing them to make informed decisions;

- Ensure that regular, clear and appropriate correspondence is maintained with customers at all times and that the relevant communication protocols are strictly followed;
- Adhere to PMD's phone etiquette standards and to provide excellent service to the customer where the fair treatment of the customer is central to that service;
- Follow the principle that customer service at all stages must meet customer expectations and that any promises or commitments made must be met;
- NOT give any financial advice to customers but to direct them to the organisation's Key Individuals or Representatives where such advice is required or sought;
- Ensure that any request from a customer is attended to without any unnecessary barriers or delays;
- Fairly manage the customer's expectation at all times;
- Leave the customer feeling pleased about their experience with PMD and confident that they are dealing with an honest, professional and ethical organisation where the fair treatment of clients is central to the company's culture;
- Ensure all third parties contracted with are committed to treating our customers fairly.

COMPLAINTS HANDLING SERVICE STANDARDS

- We respond in a timely manner to our customers and prospective customers questions and queries, addressing any issues or concerns promptly.
- All customer complaints are dealt with and escalated appropriately in order to meet our obligations to our clients.
- Complaints are therefore handled fairly, promptly and impartially.
- All valid claims are paid promptly.
- The principles of "fairness and equity" are applied in all decisions, always giving the customer the benefit of the doubt where information is not perfectly clear.
- In dealing with complaints PMD will 'treat like situations alike' and give careful consideration to whether an error might have affected a wider class of customers and what should be done to remedy this.
- PMD will investigate the root causes of complaints and obtain feedback from customers who have experienced our complaints process in order to improve the level of service that is provided.
